

January Growing Guide

While there is no such thing as a typical Melbourne summer, the (hopefully) warm weather this month makes for the perfect time to get out into the garden and enjoy it!

Remember, there is still time to sow seeds for beans and beetroot and silverbeet. As for seedlings, there are lots of options to add to your garden over summer:

HERBS

- Chives
- Watercress
- Parsley
- Sage
- Dill
- Tarragon

VEGGIES

- Tomato
- Asian greens
- Lettuce
- Leeks
- Spring onion
- Zucchini
